

In order for this application form to work properly macros need to be enabled in Excel. Follow the instructions below to enable these macros in your Excel 2007 document.

Microsoft Office 2007

When opening the Rino Scholarship Application form a **Security Warning** appears beneath the editing ribbon at the top of the page:

To enable Macros:

1. Click on **Options**.
2. In the resulting **Security** pop-up box, select the **Enable this content** option by clicking on the radio button in front of it.

3. Click on **OK**
4. To active the Rino Scholarship Application form, you need to accept the terms and conditions of the Scholarship by clicking on the **I have read and agree to the terms and conditions** button at the top of the form:

5. The terms and conditions are available on the Rino website under the Scholarship page – <http://www.rino.co.za/Scholarship.aspx>
6. The Rino Scholarship Application form is now ready to use.
